THIS WEEK'S LETTERS AND TEXTS

Operation Encompass
FS2- Blending
Hockey Tournament
Parents' Day

COMING UP THIS NEXT TERM

Class masses
Nasal flu immunisations
Parents Day
Play for a day
Topic finales

BIKEABILITY – Y6

This week some of our Year 6 children took part in the bikeability sessions. They have learned about being safe on the roads whilst riding their bikes.

DEALING WITH INCIDENTS

Please allow school staff to deal with incidents between children. Please do not approach other parents.

YEAR 6 HIGH SCHOOL ADMISSIONS

Please remember to apply for your child's high school place online. When you have done this please return the letter from Mrs Gerrard letting her know

which schools you have applied for.

Closing date for applications is 31st October.

FS2 ADMISSIONS

Please note that you can now apply online for your child's place in FS2 2019.

WW1 DISPLAY

Mrs Davison is planning a wonderful display to celebrate 100 years since WW1. Please send her lots of plastic bottles. We can't wait to see the end result.

CONSENT FORMS

Please return the consent forms, you received last week, by Monday morning. Apologies to FS1 and 2 parents who have to do them again. This is due to GDPR.

FLU CONSENT

Please return your child's flu consent form asap. They have been collected once and the nurses will be back next week for the rest.

DOJO

Please ensure you have signed up to Dojo. Class teachers put lots of information on here and you can find out what's happening in school. Please turn

your **notifications** on so you know when we have posted.

SCHOOL PHOTOGRAPHS

If you have not returned your child's photograph order, you must now organise this yourself. We can no longer take orders in school.

EARRINGS

Please note that children should **not** wear earrings for school. This is for the safety of your child. If for any reason they cannot remove them for a short period of time, they must cover them with tape or plasters and bring spare ones in case they fall off. Children wearing uncovered earrings will not be able to join in PE.

P.E. LESSONS

Please ensure that your child's PE kit is in school whenever they have PE.

SCHOOL EQUIPMENT

There have recently been two accidents after school has finished for the day. We would therefore like to remind you that children are not allowed to ride bikes and scooters on school property. Please ensure your child dismounts at the gate. Please do not allow your child to use the climbing equipment

before and after school. Your child MUST be with you at all times.

INHALERS

Parents of children with asthma, must call in and sign the emergency asthma register, at the office. This means that if your child's inhaler is broken, they can use a school one. If you haven't signed, they cannot use it.

CLASS NEWS

EYFS

This week we have been super creative! We have painted rabbits and designed tortoise shells. We also visited church to talk about baptism and shared some of our photos.

YEAR 1

Thank you for joining us on our topic theme day. We had some wonderful family trees.

YEAR 2

This week we have been busy writing postcards in the style of 'Meerkat Mail'.

We have really enjoyed making globes out of paper mache.

YEAR 3

We had lots of fun acting out the 'running of the bulls' this week. We found it so hard to run for 3 minutes with bulls chasing you!

3W – Thank you for coming to our class assembly, we hope you learned a little about Spain.

YEAR 4

A busy week for year 4 this week. We walked down to Close Park to look at the sculptures.

On Friday we went to the Fire Station. The children were

working hard and we have happy teachers!

YEAR 5

5B – It is our class assembly next week, Friday 19th October. All welcome.

Thank you to all parents and grandparents who were able to join us for our Viking Day activities. The quest to uncover artefacts has continued throughout this week.

YEAR 6

Thank you to all the children (and parents) who have worked so hard on their Harry Potter projects. They are all AMAZING! Our classrooms look very magical!

CLASS MASSES

Each Wednesday at 10am there is a class mass at church. It would be lovely to see parents and carers there! Next week it's 3C.

NUTS IN SCHOOL

We have a number of children currently in our school that can have severe allergic reactions to peanuts and other nuts. This allergic reaction (anaphylactic shock) can occur through ingestion of peanut/nut products, cross contamination and breathing peanuts in the air. Since this condition can be life threatening, we are asking for your help in minimising the risk to these children by:

- a) Avoiding giving children peanuts in school lunches
- b) Avoiding giving peanut butter sandwiches, other spreads containing nuts such as Nutella and snacks/bars containing nuts or labelled 'may contain nut traces' in school lunches
- c) Asking children not to share their lunches
- d) Making sure

hand and faces are washed if nut products have been eaten before school.

Due to the potential severity of the problem, it is important that all parents and carers carry out the suggested measures and reduce the risk of any allergic reactions.

SAFE PARKING

We have once again had some upset residents and parents. Please take care when parking and driving around the school environment. Please remember that on the church park you should only park in a space and not on the path. Doing this is endangering our children's lives. Please drive slowly and carefully on Belgrave Street and do not park in front of residents driveways.

PARENTS' DAY

Please return the form sent home today, indicating two 2 hour slots where you can attend. Please do not specify a particular time as we cannot accept this.
