

## St Mary's RC Primary school PE and sports premium

### Purpose of the premium

**ALL** pupils leaving primary school will be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

## Overview of St Mary's strategies for improving PE and sport

The sports premium will be spent in the following ways to improve PE and sports participation and to enable all pupils to develop a healthy and active lifestyle:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Our main **OBJECTIVE**: To achieve self-sustaining improvement in the quality of PE and sport

How St Mary's intends to make sustainable improvements in the future:

- Up skill staff through CPD increasing knowledge and skill of all staff members.
- Continue strong links with school games and continue to increase competitive sport
- Develop links with local primary and secondary schools.
